

Contimab PROFLEX®

Take the market with **the new continuous butter making machine** CONTIMAB PROFLEX®!

CONTIMAB Proflex 120
100 kg/h up to 500 kg/h

CONTIMAB Proflex 170
600 kg/h up to 1 500 kg/h

CONTIMAB Proflex 200
1 200 kg/h up to 3 000 kg/h

CONTIMAB Proflex 300
2 500 kg/h up to 6 000 kg/h

CONTIMAB Proflex 400
5 000 kg/h up to 13 000 kg/h

FLEXIBILITY

All types of cream
to all types
of butter

EFFICIENCY

Optimization of production costs

01

EASY TO USE

Fast adjustment with high degree of automation

02

EASE OF MAINTENANCE

Incorporated at the design stage

03

QUALITY

Meets all food safety standards

04
